

## **SPORTS ELIGIBILITY INFORMATION**

- All student-athletes must be academically eligible. Two failures, incompletes or No Credits or any combination will prevent a student from being academically eligible.
- All student-athletes must have proof of a physical *no earlier* than 13 months prior to the first day of the season.
- All student-athletes must complete this form (Sport Candidate Clearance/Emergency Treatment Consent Form (Form A) each year. This includes permission to take ImPACT concussion screening and verification that a guardian and the athlete have completed the on-line concussion screening each year.
- All Freshmen, Juniors and new students must take ImPACT concussion screening once this year. The screening is a computer-based program held in the computer lab, room 272. Dates and times will be announced before each season.
- Each student will be required to pay a \$300 user fee per year for all three seasons. Ice Hockey players will be required to pay an additional \$100. The family cap is \$600 unless the students play ice hockey. User fee checks should be made payable to HPS.
