PICK-UP AND DELIVERY OF CHILDREN . . .

1. Before school children must be walked into the building and a teacher notified of the child's arrival. Be sure to sign in your child noting the appropriate time of drop-off. Children must never be left at Kids in Action without a teacher present. Drop off for early schools is not later than 7:30 and not later than 8:00 for the schools with later start times. Thank you for your cooperation in this matter!
2. A designated parent or guardian as indicated on the application must pick up and sign out each child. Parents must send in written authorization with their children if an alternate person will be picking up. The note must be signed and dated by the parent/guardian. We consistently track the children as they get on the buses and as they come into Kids in Action. If a child does not come to Kids in Action on a scheduled day, we contact the child's teacher and then contact the parent for verification that the child is where he/she should be. If a child comes to Kids in Action on an unscheduled day, we will keep the child with us until a parent or an emergency contact comes to pick up. KIA staff are instructed to keep a child when in a doubtful situation and contact parents for pick up at KIA as soon as possible.
6. Hingham has a locked door policy at all times. Please ring the bells to be let in by KIA Afterschool staff

EMERGENCY INFORMATION

EMERGENCY UPDATES AND PROCEDURES . . .

- 1 Parents need to inform KIDS IN ACTION of changes in ADDRESSES, PHONE NUMBERS, and EMPLOYMENT CHANGES AND EMERGENCY INFORMATION. It is critical, IN CASE OF EMERGENCY, that all information is complete and up-to-date.
2. If a child is going to be absent from After-School for any reason, parents must notify Kids in Action, the school that the child attends and notify the classroom teacher in writing. If you know in advance that your child will be out, please send a note or tell the teachers the day before. Please use the "Three Step Notification System".
- 3 In case of a MEDICAL EMERGENCY during After-School hours, FIRST AID will be administered by the staff. The parent or designated adult, as indicated on your application, will be notified as quickly as possible. Any EMERGENCY TRANSPORTATION will be to SOUTH SHORE HOSPITAL, unless a doctor has provided written instructions to transport a child to another MEDICAL FACILITY. Every effort will be made to contact the child's own PHYSICIAN.
4. If a child becomes ill at Kids In Action (FEVER, VOMITING, DIARRHEA, ETC.) or is found to have a contagious condition such as HEAD LICE, CONJUNCTIVITIS, or STREP THROAT; you or your emergency contact will be called and the child will be expected to be picked up within an hour from Kids in Action. Children must be free of the above symptoms for 24 hours before returning to the program.

SCHOOL CANCELLATIONS / DELAYED OPENINGS . . .

Kids In Action follows the Hingham Public School Calendar.

Please be aware that in the event of a Hingham Public School **cancellation**, Kids in Action will also be cancelled.

On days that there is a **delayed opening** in the Hingham Public Schools, the Before-School Program (grades K-5) will operate on the same schedule with the times reflecting the amount of the scheduled delay. One-hour delay — KIA before School will open at 8:00 a.m. or Two-hour delay -- KIA Before School will open at 9:00 a.m.

In the event that HPS **releases students early** due to inclement weather the Kids in Action After School Program will operate and close at 3pm. Only children enrolled in AFTER SCHOOL KIA will be transported from their home school to KIA at the weather related release time as identified by the Superintendent.

HEALTH & SAFETY PROCEDURES

With each child's well-being in mind, Kids in Action has developed health guidelines concerning illness and medication. We ask that all parents cooperate by observing the guidelines and by informing the staff of any health related issues. This policy is in conjunction with the HINGHAM PUBLIC SCHOOL'S health guidelines.

MEDICATION

The only medications to be administered at KIA are emergency **inhalant medications** for Asthma or reactive airway disease and **Epi-pen injector** medications for known food or insect allergy. These medications will require a physician's order and parent authorization. Any child who receives an Epi-pen will be transported by ambulance to South Shore Hospital. A copy of the child's Food Allergy Action Plan will be kept in the child's classroom.

All medication must be provided to KIA by the Parent. Medicine should be in the original container with the prescription label on the bottle or box. KIA will keep all medication under proper conditions for preservation, security and safety. All unused medication will be returned to the parent.

ILLNESS

1. If a child has any condition, such as ALLERGIES or ASTHMA, which would limit participation in the regular activities provided at Kids in Action, the Director must be notified in writing. All allergies will be clearly posted (unless otherwise advised) with the child's name, allergy and allergic reaction and the staff will be alerted to the allergic response of the child involved.
2. Any child that is absent or dismissed from their elementary school for illness or other reasons will not be admitted to Kids in Action until he/she returns to school in compliance with Hingham Public School health guidelines. Students must report to KIA at dismissal and are not allowed to be dropped off at a later time due to any other activity than a routine medical appointment.
3. If a child becomes ill at After-School (FEVER, VOMITING, DIARRHEA, ETC.) or is found to have a contagious condition such as, CONJUNCTIVITIS, or STREP THROAT; you or your emergency contact will be called and the child will be expected to be picked up as soon as possible from Kids in Action. Children must be free of the above symptoms for 24 hours before returning to the program.
4. Contagious illnesses should be reported immediately to the Director. Appropriate information will be posted and distributed to the necessary families and staff members. Contagious diseases like CONJUNCTIVITIS, SCARLET FEVER, STREP THROAT or BRONCHITIS require the child to remain at home until they have been on an antibiotic for 24 to 48 hours from the first dose of medication.
5. Any child found to have active head lice will be sent home from KIA. The child must be re-checked by their school nurse and cleared before returning to KIA.
6. Any child well enough to attend Kids In Action is expected to participate in **all** aspects of the daily routine, including outdoor play.

DISCIPLINE POLICY

Kids in Action believes that children learn and grow through experiences and interaction with other children. As teachers, we can lovingly guide and re-direct the children to help them learn to cooperate with their peers and encourage positive individual and group experiences that will enhance their growth and development while in our care. We believe that we can best accomplish this through integrating the Hingham Public Schools Rules of the Road. Our goal is to help each child develop a sense of responsibility for his/her own behavior while participating in the Kids in Action Program.

<p style="text-align: center;">RULES OF THE ROAD</p> <p>Treat each other with care and respect Be Kind Do not hurt anyone with your words, body, or any object.</p> <p>Support a positive learning environment Be cooperative. Do not interfere with teaching or learning.</p> <p>Be serious about learning Work hard and honestly. Pay attention and follow directions.</p> <p>Take care of your school Do not damage, destroy, or steal any property.</p>
--

When a child's behavior does not follow these specified guidelines we will use the following steps in disciplining the child. All efforts will be made to encourage and assist the child in developing positive behavior techniques prior to removal from the Kids in Action Program. In many instances, we will seek direction and support from the child's elementary school in handling situations that are difficult and complex. We will maintain ongoing communication between the parents and the staff and take into consideration individual situations and the safety of all children.

1. **Speak with the child**, reminding him/her of the Rules of the Road and encourage the child to express his/her feelings constructively.
2. **Remove the child** from the activity, giving the child the opportunity to calm down and regain his/her composure. Provide the child with alternative behavior techniques that would be appropriate in the situation and redirect the child to another activity. The teacher will speak to the parent regarding the situation.
3. If the child continues with inappropriate behavior the director and the teacher will speak to the child and to the **child's parents**. A report referencing the situation will be written and given to the parent. A plan of action to help the child remember the Rules of the Road will be developed with the parents, the teacher and the director.

CONSEQUENCES OF NON-COMPLIANCE WITH THE PLAN OF ACTION

1. **Removal** from the gym or an **activity** for a specified period of time. 1st incident
2. **Suspension** from Kids in Action for a specified period of time. 2nd incident
3. **Removal from the Kids in Action Program.** 3rd incident
