

Hingham Public Schools Full Day Kindergarten Tuition Sliding Fee Scale

SAMPLE ONLY

The abbreviated chart below is based upon the state income eligibility table and sliding fee scale for 2015-2016 Full Day Kindergarten (FDK) Programs in Fund Code (FC) 701 FDK Districts. The income level source is the Massachusetts Department of Early Education and Care, effective October 1, 2014. The state scale is based upon a State Median Income (SMI) of \$71,100 annually.

The district's sliding fee scale reflects a maximum tuition, currently proposed to be \$3,500 annually. To determine your family's anticipated tuition, find the Column A with the family's size written at the top. (If your family size is greater than 6, please contact Central Office for help.) Then look down the column and find the correct annual or monthly income range; then look across the row to Column B to find the amount the district could potentially charge for that income level.
