**As taken from Student Handbook, Page 28:**

**Student Parking**

Students who drive automobiles to school will be subject to such regulations as the school administrators deem necessary for safety. Driving abuses may result in loss of the privilege of driving to school and parking on school grounds as well as disciplinary action deemed appropriate by the administration.

Eleventh and twelfth grade students may park on the campus of Hingham High School subject to the restrictions below and provided that his or her car displays the appropriate parking sticker. **Student parking will be restricted to the far parking lot between the baseball field and the soccer field and to numbered "S" spaces (last row and spaces parallel to Union Street along the grass) in the Union Street parking lot.** Parking in the Union Street close lot is open only to seniors who have purchased a parking sticker. There is no fee for a sticker to park in the far Union Street lot which is open to eleventh and twelfth grade students. No student will be allowed to park in the auto shop/gymnasium parking area unless the vehicle clearly displays an authorized pass. No student will park in areas assigned to staff. "Green spaces" may be used by special permit only.

Violators to any of the above may lose the privilege of parking on the school campus. Cars parked in places other than designated student parking areas will be towed at the owner's expense. Parking on school property during the school day or when participating in school-sponsored activities is a privilege and not a right. As such, cars brought on to school property may be subject to a search by school officials.

➤ **Please allow 48 hours for your form to be processed after which you must ask Officer Ford for your parking sticker.**

**For Office Use Only:**
