Dear Parents and Students of the Class of 2020:

The final year of your high school career will surely be packed with more activities and deadlines than you have ever experienced before. This correspondence provides a brief explanation of your options and important information on submitting your senior photo to the yearbook.

It is up to you to provide your senior portrait to the yearbook. You may have any photographer take your portrait. Be sure to tell your photographer that the deadline to submit photos is **October 31, 2019**. Student ID photographs will be taken at school. These traditional school photographs are used for school identification. They will serve as back up senior portraits should we not receive your formal portrait by the deadline. *If you would like to use this traditional school photo for your senior picture, please let us know.*

- **Minimum image requirements are 2 x 2 ½”, and at least 300 dpi high resolution**
- **Portrait orientation must be vertical.**
- **Image must be a JPG**
- **File name must be LAST NAME\_FIRST NAME\_SP**
