

Good afternoon Parents and Guardians of Grade Eight Students,

Families will be offered the opportunity to purchase the Chromebook **that was issued to their Grade 8 student**. You will not be given any other student's device.

- Once purchased by the family, the Chromebook is no longer the responsibility of the Hingham Public School system. The device is purchased "as-is". All future repairs are the sole responsibility of the student and his or her family.
- The Chromebooks will no longer be filtered by the Hingham Public School system when outside of the school network. All filtering will be based on the parameters set by the network to which the device is connected.
- Any future protection plans or coverage will be the responsibility of the individual or family. Insurance and/or protection plans may not be purchased through the schools once the device becomes private property.
- If you did not return a charger, you will not be issued one.

If there are financial concerns, please contact your school counselor.

In order to purchase these devices, please use the following link

<https://unipaygold.unibank.com/Default.aspx?customerid=1075> to make payment of \$42.50. The purchase program will be open from **Thursday 5/23/19 – Monday 6/10/19 11:59PM**.

Grade 8 Chromebooks will be processed during Civics Week (6/3-6/7) and returned on Friday 6/7. Please understand that if interest and demand for purchase are greater than expected, we may be forced to adjust this plan.

*****Students opting NOT to purchase a Chromebook will be required to return the device and charger to their Homeroom by Tuesday June 11.** Chromebooks not in good working order (assuming normal wear and tear) or failed to be returned will be charged \$42.50. The school will make repeated attempts to collect the money similar to lost book recovery. Students that do not pay shall be noted on file, listed in X2 and the information shared with the High School.

If you have any questions, please feel free to contact me at dsmith@hinghamschools.org

Thank you,

Derek Smith

Principal

Hingham Middle School
