Dear Student,

Thank you for your interest in the **Massachusetts Girls State** program. This program offers a study of the democratic process by simulating local and state level governments. Participants run for elected offices, deliver speeches, and pass laws. Potential candidates must exhibit above average academic standing and possess qualities of leadership, scholarship, patriotism, and service. The program runs between June 16-22 at Stonehill College. Participants must attend the full term of the program and would have to arrange to take their final exams early, if needed.

If you are interested in applying, please fill out the attached form. (You may leave blank the information concerning the Post/Organization that sponsored you, and you do not yet need a photo.)

In addition, please type a 1-2 page, double-spaced essay explaining the reasons for your interest in the program and what you hope to gain from the experience.

Please return these materials to Mr. Hoey's mailbox no later than Tuesday, February 13th, and feel free to see him with questions beforehand.
