**Screening Committee Established to Assist in Superintendent Search**

During the September 10, 2018 meeting, the Hingham School Committee announced that it will appoint a Screening Committee to assist in the superintendent search process.

While the School Committee has the sole authority to appoint the superintendent, the Hingham School Committee will appoint a Screening Committee to assist in the superintendent search process to ensure meaningful representation of community and school stakeholders. The Screening Committee responsibilities include reviewing applications, interviewing chosen candidates from the applicant pool and recommending several candidates to the School Committee for further consideration.

The Screening Committee includes 15 members comprising a balanced representation of staff and community members who have a strong understanding of the responsibilities of the superintendent. The School Committee has invited select groups to appoint their representatives including the School Principals, Department Directors, Teachers, PTOs and SEPAC. The Town Administrator will appoint a Town Hall staff member familiar with the role of the Superintendent. School Committee Chair Michelle Ayer has appointed members of the School Committee's Salary & Negotiations subcommittee to the Screening Committee including Chair Liza O'Reilly and Vice Chair Carlos DaSilva. The School Committee accepted the School Administration recommendation for Director of Business and Support Services John Ferris to represent the Central Office staff. In addition, the School Committee will appoint two At-Large community members.
