Save the Date: Meet our Finalists!

December 4, 2018 – The School Committee is excited to welcome our four Superintendent Finalists to Hingham to get to know our school community and town.

The dates and candidates, listed in alphabetical order, are:

Monday, December 10th: Dr. James M. LaBillois, Ed.D. and Dr. Earl F. Metzler, II, Ed.D.

Monday, December 17th: Dr. Paul W. Austin, Jr., Ph.D. and Dr. Donna Flaherty Straight, Ed. D.

Details of the visits will be communicated later this week. The day will conclude with public interviews by the school committee.

Updates on the process will be posted at <https://hinghamschools.com/school-committee/superintendent-search/>. The resumes of each candidate are posted at <https://hinghamschools.com/school-committee/superintendent-search/>.

This is an excellent opportunity for the school community, parents and citizens to participate in the selection process and provide feedback to the Hingham School Committee for their consideration in making the final selection.
