SCHOOL COMMITTEE TO CONDUCT SITE VISITS FOR THREE FINALISTS

January 4, 2019 – The Hingham School Committee continues the search for the next Superintendent of the Hingham Public Schools this month. To date, the School Committee has: created a Successful Candidate Profile; toured Hingham and its six schools with each finalist; conducted reference checks; received written and oral feedback from community members, parents, students and staff; and most recently conducted individual public interviews. On December 20th, the School Committee discussed the four finalists and agreed to advance three as well as conduct site visits in the finalists' communities.

The three finalists and site visits are as follows (in order of date):

- January 8th - Hingham for Dr. James M. LaBillois, Ed.D.
- January 9th - Plaistow and Hampstead, NH for Dr. Earl F. Metzler, II, Ed.D.
- January 11th - Unity and Brunswick, ME for Dr. Paul W. Austin, Jr., Ph.D.

A site visit team made up of School Committee members and Hingham Public Schools staff will meet with each candidate in their district to gather further information. More on the superintendent search can be found at:
